## ~ RCMS SPEAKS ~

### Principal's News

Welcome back RCMS families! We are ecstatic to collaborate with our families this year to ensure a seamless school-to-home partnership with the community and the school. Each month our RCMS Newsletter will go home to all families incorporating upcoming important dates, NWEA and MCAS testing schedules, practice MCAS questions, community resources and additional imperative information related to your child's education. During the 2018-2019 school year, we invite and encourage all families to promote our school-wide PBIS intervention framework at home. We will continue to build on the values of Positive Behavioral Interventions and Supports (PBIS), which include promoting **Respect**, **Responsibility**, and **Scholarship** through academic, social, emotional and behavioral competence both inside and outside of the classroom. We are looking forward to a positive, productive, rigorous, and meaningful academic school year. Your active participation plays an integral role in each student's success. Stay involved and stay connected by reading our RCMS Newsletter to stay in the know of our school's activities and expectations! Here's to an **EXCITING** and engaging upcoming school year as we collaborate together to make RCMS a place of dignity and excellence for ALL!

Principal,  
Cyndi Weekes-Bradley

### MCAS Monthly Challenge

It's never too early to prepare for MCAS! Please encourage your student to take part in our monthly MCAS challenge. Every month in our newsletter we will offer a practice question for each grade. Students should answer the question, and submit their answer to the MCAS box located in the main office. Correct answers will be entered into a raffle for scholar dollars.

#### Helpful RCMS Reminders:

- Emergency contact forms should be filled out for all students
- Updates home addresses for school system
- Update contact information (phone number, e-mail)
