Dear RHS Students and Families,

As we head into the last week of school, we wanted to send out some important information regarding the end of the year.

RPS Device Collection: The district is collecting all RPS-issued laptops and chargers. RHS will be doing this on Tuesday, June 15, and Wednesday, June 16. In-person students will be returning laptops on Tuesday. We will make announcements throughout that day to ensure all students have the opportunity to return their device. Remote students will be returning laptops on Wednesday during Period 1 (8:20-9:20). Any student that does not turn in a device will not be able to participate in any field day activities. The last day for device return is Friday, June 18, by 11am. Lost chargers will require a \$20 replacement fee. All students will get a new laptop next year to start the new school year.

Schedule: Classes will meet as regularly scheduled on Monday and Tuesday and we will be holding a Field Day for students on Wednesday and Thursday. The last day for all students is Friday, June 18. Friday is a half day with all classes meeting to close the year and say goodbye. All remote students are invited and encouraged to participate in our outdoor field day activities on Wednesday and Thursday.

A snapshot of the week would look like this:

Monday June 14	Tuesday June 15	Wednesday June 16	Thursday, June 17	Friday, June 18
All classes meet as scheduled.	All classes meet as scheduled.	Field Day - Students Report to P.1	Field Day - Students Report to P.1	Half Day 11:10 Dismissal
	In-Person Laptop Collection	Remote Student Laptop Collection		All classes meet as scheduled.

Attendance: Attendance to school will be taken by every P.1 teacher for all students every day, with other periods having attendance taken as they meet during the week.

Non-Discrimination Policy

Grades & Report Cards: Grades close on Monday, June 14 and report cards are scheduled to be published in iPass on Friday, June 18. A Blackboard and RPS App message will be sent out when they are available.

Field Day: Without final exams this year, we have planned two days of up to 20 activities for students to rotate through and participate in depending on their interest. Activities range from flag football and soccer to dancing and ice cream making. The schedule for these two days will be:

- P.1: Attendance
- Station 1: 9:00 - 9:50
- Station 2: 10:00 - 10:50
- Lunch Break: 11:00 - 12:00
- Station 3: 12:10 - 1:00
- Station 4: 1:10 - 2:00
- Breakdown/Cool Off: 2:00 - 2:20

Summer School: Any student who believes they need a summer school course should reach out to their school counselor. It is important that students and families understand that, in high school, if a student does not pass a class they either attend summer school or repeat the class the following year. As students work towards graduation they must both pass core required courses and earn credits. Any questions should be directed to the counselor.

To say that this has been a challenging year would be an understatement. Everyone has worked incredibly hard through all of the challenges that this unique year presented. We are proud of the work of our students, teachers, and staff and we are grateful for the support we received from our families and this great community.

If you have any questions or concerns please do not hesitate to reach out. Thank you again.
