

RETIREMENT ANNOUNCEMENT

of Cindy Sypher-Lopez

For the past 16 years, Mrs. Lopez has been an employee of the Randolph Public Schools District (RPS). As Principal of the Lyons Elementary School, she infused the school with her kind heart, witty charm, and motherly conversations. She has always been concerned with making sure the school community is a happy place. Her mantra is: "Successful schools come from giving your teachers autonomy. You cannot run a school alone." It is something Mrs. Lopez strongly believes in along with being kind and fostering a sense of belonging within the school community. She leaves a legacy of kindness.

The RPS Central Office and entire district express our heartfelt gratitude to Mrs. Lopez for her leadership and commitment to our students and families and for a wonderful career with Randolph Public Schools! **We wish her the very best.**
